

Healing Village made simple

Choose each person. Check the total. Download an editable proforma.

1 Enter the stay and treatment guests

Choose dates, villa and currency. Search by English or Sanskrit programme name. Two guests may choose different programmes. The calculator charges the room once and includes each treatment.

2 Add companions and children

Ages 13+ use adult pricing; ages 5–12 use child pricing. Count babies too. Confirm the villa can safely fit everyone.

Who is sharing?	How to quote
One patient + one adult companion	Use the double room + meals for two + treatment for one. INR component quote in calculator.
Child aged 5–12 in the second regular place	Meals only: INR 2,750 / USD 39 / EUR 34 per night.
Child aged 5–12 beyond the two regular places	Bed required + meals: INR 5,750 / USD 82 / EUR 72 per night.
Additional adult companion beyond regular places	Bed + meals: INR 8,500 / USD 122 / EUR 107 per night.
Under 5 sharing existing bedding	Stay and meals free.

Example · Classic Villa, 7 nights

One Rejuvenation patient + one adult companion:

Room 8,715 + meals 6,820 + treatment 13,357 = **INR 28,892 per night.**

Seven-night total: **INR 202,244.** Do not add a second companion charge.

3 Make the quotation

Press Calculate quotation. Enter guest details, reference and payment details, then Download Word. Use published AHV currency tariffs. Taxes are already included.

Booking savings · direct programme bookings only

90+ days ahead: 5%; April–September admission: 5%; returning patient: 7%; six or more previous stays: 10%; more than 28 nights: 5%. Only the highest eligible reduction applies. Enter booking date and verified stay history. Companion, child and bed supplements stay unchanged. For mixed eligibility or a patient sharing with an adult companion, enter the approved patient-only amount and reference.

If a combination has no tariff: ask reservations for its component price. Do not substitute an exchange rate or guess a third/fourth patient charge. Programme minimum nights are shown beside the selection.
